

Warning And Information From Health Department Remscheid

The number of corona diseases has risen sharply again. Schools and kindergartens will have to close if the numbers continue to rise. **Help stop Corona:**

☐ If you have symptoms of a cold, you and your children must stay at home. Inform your family doctor by phone! He tells you what to do.

☐ If you or family members come back from a trip, you must report to the Remscheid Health Department immediately! Telephone: (0 21 91) 16 - 35 55 Monday to Friday from 8 a.m. to 4 p.m.!

☐ Do not travel to risk areas!

☐ Do not go home to family gatherings and large groups to visit friends and relatives.

☐ Do not attend large religious events!

☐ Maintain a distance of at least 1.5 meters from other people (in shops, clubs, tea rooms, cafes, bars, etc. or on the go)

☐ Always wear mouth and nose protection (mask) - even with friends and relatives!

☐ No hugs, no cheek kisses, no handshakes with people who do not live in your household.

☐ No contact with sick people!

☐ Ventilate often and for a long time!

☐ Shop in stores when they are empty!

☐ Wash your hands regularly and for a long time with soap and water! At least 20 seconds!

Anyone who does not comply with the hygiene rules must pay a heavy fine!

Anyone who has to be in corona quarantine must always stay at home in their apartment. If you leave the apartment, you will be fined heavily.

Note the rules so that we do not get a 2nd lockdown.

Best regards,
Burkhard Mast-Weisz
Lord Mayor

Please detach here and hand it in at school.

(First and last name)

(date)

I have received the information from the City of Remscheid regarding compliance with rules of conduct and hygiene from September 21, 2020 and have taken note of it.
